

**Questionnaire to apply for a DAAD scholarship extension**

Name: Bustamante Jaramillo

First name(s): Sebastian

Personal identification number: 91562436

**Reasons why I wish to extend my scholarship:**

I wish to extend my scholarship period because I have been working on my project only one year, and the duration of the PhD is at least 3. Besides, my only funding comes from DAAD, so I need the extension of the scholarship in order to continue with my research.

**Please answer the following questions:****1. Have you passed the language test at the German university?**☐ Yes, on: Enter text here      ☐ No      ☒ Not applicable**2. Which exam(s) are you currently preparing for?**☐ Master's degree
